- If an application of cancellation is filed during a period other than the above, no refund is made.

○ Changing a paid reservation of all rooms of the Multipurpose Hall

Only for a paid reservation of all rooms of the Multipurpose Hall, the following case is treated as a change.

In the case of changing the reservation, fees for the time changed will be refunded according to the ratio of refund of fees set forth above.

<Cases treated as a change>

- ① **Only shortening** of the reserved time between the reserved start time and the reserved end time is treated as a change.

Shortening of the reserved time shall not exceed the maximum of 2 hours or a half of the reserved time, whichever the shorter time is applied. The reserved time can be shortened by the unit of 30 minutes.

Cases other than the above are treated as cancellation, and an “application for cancellation of use and refund” is required.

Changes cannot be made in less than 1 month before the day of use.

e.g.) Changes of reserved time for 10:00 to 15:00 (5 hours use) can be made up to 2 hours.

e.g.) Changes of reserved time for 10:00 to 11:30 (1.5 hours use) can be made for 30 minutes.

- ② **A reserved time cannot be curtailed by dividing the reserved time.**

e.g.) If you want to change the reserved time of 10:00-15:00 (5 hours use) within 2 hours, you can change it to 11:00-14:00 or 10:00-13:30, but you cannot divide it to 10:00-12:00 and 13:00-15:00.

③ **Reservation cannot be transferred.**

You cannot transfer the reservation to other day and time or to other facilities.

e.g.) If you want to transfer a reservation of August 1, 10:00-15:00 (5 hours use) to September 1, you need to cancel the reservation of August 1 and make a new reservation of September 1.

e.g.) If you want to transfer a reservation of August 1, 10:00-13:00 (3 hours use) to August 1, 12:00-15:00, as only shortening of the time is allowed and the maximum of 1.5 hours can be shortened in this case (3 hours use), you can change it to 11:30-13:00 and make a new reservation of 13:00-15:00, or you can cancel 10:00-13:00 and make a new reservation. In this case, cancellation costs less.

Calculation Example) In the case of use by Sanda city residents for 10:00-13:00: ¥14,400 (¥2,400/30minutes). Apply for a change 3 months before the day of use.

- Change it to 11:30-13:00 and make a new reservation for 13:00-15:00. ¥5,760 which is 80% of ¥7,200 is refunded and pay ¥9,600 for 13:00-15:00. Total amount of payment: ¥14,400 + ¥9,600 - ¥5,760 = ¥18,240
- In the case of canceling 10:00-13:00 and making a new reservation for 12:00-15:00. ¥11,520 which is 80% of ¥14,400 is refunded and pay ¥14,400 for 12:00-15:00. Total amount of payment: ¥14,400 + ¥14,400 - ¥11,520 = ¥17,280
